Company Name : Xero

Company Sector : SaaS, Accounting Software

Operating Geography : New Zealand, Australia, Global

About the Company :

Xero is a public technology firm based in New Zealand that trades on the Australian Securities Exchange. In 2006, the business was established in Wellington by Rod Drury and Hamish Edwards. The company is a small and medium-sized business accounting software platform that is hosted in the cloud. It allows users to keep track of cash flow, management, invoicing, payments, reporting, and pay runs. Users can choose from three monthly membership packages for Xero: beginning, standard, or premium. The software is available for iOS and Android devices. The software as a service (SaaS) model is used by Xero, and its solutions are sold on a subscription basis based on the kind and number of company entities controlled by the subscriber. Over 180 countries use its products. The company has a community of over 1,000 third-party apps and over 300 banking and financial partner integrations. On August 16, 2021, ACCA and Xero expanded their partnership to prepare Singapore's next generation of accounting professionals for the future.

Xero's Unique Selling Point or USP is that it is one of the fastest-growing software a service firms in the world, leading the cloud accounting markets in New Zealand, Australia, and the United Kingdom with a world-class team of over 3,500 employees. The mission statement of Xero reads, "To positively impact the world by helping small businesses thrive".
