Company Name : Stantec Inc.

Company Sector : Construction and Design

Operating Geography : Canada, North America, Global

About the Company :

Stantec Inc. is a professional international design and consulting industry. It is headquartered in Edmonton, Alberta, Canada. In 2019, the Company provided services on projects through 22,000 employees around the world operating out of more than 350 locations in North America and across offices in 6 continents internationally. In 1954, Dr. Don Stanley founded D.R. Stanley & Associates, working as the sole proprietor. In 1955, Stanley employed a retired railway engineer, Herb Roblin, and a former chief bridge engineer for the provincial government, Louis Grimble. It was renamed as Stanley, Grimble and Roblin Ltd. It supplies services in planning, engineering, architecture, interior design, surveying, environmental sciences, project management, and project economics for facilities projects and infrastructure. It serves the design phase of buildings, energy, and infrastructure projects, which offers higher margin opportunities and more controllable risk than integrated engineering and construction firms. The company focuses to deliver a return on invested capital of greater than 10% in the year 2021-22. In 2017, the company received the award of - Water EPCOR Grit Treatment and Recovery Facility - implementing HUBER technology.

Stantec Inc.'s Unique Selling Proposition or USP lies in it being ranked one of the most sustainable companies in the world and being the top tier global design and delivery firm. The company's mission statement reads, "We make a difference in the world by creating communities. This is our purpose. We design with community in mind".
