**Company Name :** Capitec Bank

**Company Sector :** Banking & Finance

**Operating Geography :** South Africa, Africa

**About the Company :** Capitec Bank is a South African retail bank that specialises in banking services and offers individuals savings, transactions, and unsecured lending products. The firm is headquartered in Stellenbosch, South Africa and it was established on 1 March 2001. The Company's retail banking division distributes Global One, a retail bank product that allows customers to transact, save, and borrow. Card machines, workplace banking, pay transfers, and financial skills are among the company's commercial offerings. It also offers financial management services. Capitec Bank Limited, the company's main subsidiary, is owned by the company (Capitec Bank). The company's Global One card is linked to each customer's transaction/savings account and provides them with a variety of options for accessing and transacting their money around the world. Card machines, online shopping, and phone/mail orders all accept the Global One card. Capitec announced a needs-based lending solution on November 24, 2021, that allows users to borrow up to R250,000 for education, medical expenditures, home improvements, or vehicles from some of the country's best firms at interest rates as low as prime.

Capitec Bank's USP lies in its being South Africa's leading digital bank, with over 8.6 million digital banking customers, as well as the world's third strongest banking brand. The mission statement of Capitec Bank reads, "An affordable, simplified banking solution would mean very little without excellent service. Our immediate focus is to build a relationship with you to better understand your needs and goals and to empower you to take control of your cash".

**Revenue :**

Rand 24.98 billion - FY ending 28 February 2021 (y-o-y growth 1.6%)

Rand 24.59 billion - FY ending 29 February 2020
