Company Name : Rosenbauer Group

Company Sector : Manufacturing, Firefighting and Disaster Protection Technology

Operating Geography : Austria, Europe, Global

About the Company :

The Rosenbauer Group is an Austrian producer of fire-fighting vehicles and equipment headquartered in Leonding. Johann Rosenbauer formed the first Austrian firefighting company in Linz in 1866. It offers vehicles, fire extinguishing systems, equipment, and telemetry solutions for professionals, fire departments, and industry. Rosenbauer provides municipal fire engines, turntable ladders, hydraulic platforms, airport vehicles, industrial vehicles, special vehicles, extinguishing systems, fire brigade equipment, stationary extinguishing systems, and telematics solutions for vehicle management and deployment management as a full-service supplier. Rosenbauer has a service network in over 100 countries that provide maintenance, customer service, and refurbishing. Its goods are manufactured in Europe, the United States, and Asia. CEEU; NISA; MENA; APAC; NOMA; PFP are the segments in which the company operates. Rosenbauer Brandschutz Deutschland stated in June 2022, that it had secured its largest order in history, which is for water spray and turret extinguishing systems for a new waste-to-energy facility in Wiesbaden that is now under development.

The Rosenbauer Group's USP lies in its being one of the three largest manufacturers of fire-fighting vehicles and equipment in the world. The mission statement of the company reads, "At Rosenbauer, our mission is to support those that save lives and protect property. We design, engineer and manufacture certainty. Certainty instils confidence. Confidence empowers duty, courage and camaraderie".
