**Company Name :** Ashtead Group plc

**Company Sector :** Industrial Equipment Rental Services

**Operating Geography :** United Kingdom, Europe, Global

**About the Company :**

Ashtead is an international equipment rental company based in London, with national networks in the United States, the United Kingdom, and Canada. Ashtead was founded in 1947 in the Surrey village of Ashtead and is currently a constituent of the FTSE 100 Index. It is listed on the London Stock Exchange. It caters to a varied customer base by providing a complete line of construction and industrial equipment for several purposes. Air compressors, pumps, scaffolding, and welders, as well as aerial work platforms, road compactors, generators, and temporary traffic management equipment, are all available for hire through Ashtead. Customers in Canada, the United States, and the United Kingdom benefit from the company's international operations. Sunbelt Rentals, a subsidiary that operates in over 600 locations across the United States and Canada, generates over 85 per cent of the company's income in the United States. As of early 2022, the company has over 19,000 employees on its rolls.

The USP of the Ashtead Group is that it is the largest equipment rental company in the UK, with 186 locations, and the second largest in North America, with 910 locations in 46 states. The mission statement of Ashtead reads, "Our operational mantra of delivering Availability, Reliability and Ease is backed up by our vision, values and taking responsibility in everything we do".

**Revenue :**

US\$ 7,962 million – year ending 30th April 2022 (y-o-y growth of 19%)

US\$ 6,639 million – year ending 30th April 2021
