**Company Name :** Brenntag SE

**Company Sector :** Specialty and Industrial Chemicals – Marketing & Distribution

**Operating Geography :** Germany, Europe, Global

**About the Company :**

Brenntag SE, a German distributor of chemicals, was founded in Berlin in 1874. The company has its headquarters in Essen, Germany, and it conducts business in more than 78 different countries. By streamlining market access to thousands of goods and services, the multinational corporation controls complex supply chains for chemical producers and consumers. It brings together a world network and excellent local execution. sells and distributes chemicals and products made with chemicals in the three areas of life science, material science, and environmental. Cosmetics, food, pet food, and medications are all made with compounds from the life sciences. In addition to the production of coatings and paints as well as the extraction of oil and gas, material science chemicals are also used to create soaps, detergents, and coatings. When treating water, environmental chemicals are employed. Geographically, the corporation is divided into four segments: North America, Latin America, Europe, the Middle East, Africa, and Asia-Pacific. EMEA is the segment that generates the most revenue. In June 2022, Brenntag announced a 75/25 joint venture with the Al-Azzaz Chemicals Company, Saudi Arabia.

The USP of Brenntag is that it is the market leader worldwide in the distribution of chemicals and additives, providing a full line of more than 10,000 goods and a top-tier supplier network. The mission statement of Brenntag reads, "Brenntag strives to be the industry's most effective and preferred channel partner".

**Revenue :**

14,383 million- FY ending 31st December 2021 (y-o-y increase 21.9%)

11,794 million- FY ending 31st December 2020
