Company Name : AVEVA Group plc

Company Sector : Information Technology

Operating Geography : United Kingdom, Europe, Global

About the Company :

Founded in 1976, AVEVA Group plc is a British multinational information technology company. It has its headquarters in Cambridge, England and is listed on the London Stock Exchange along with being a constituent of the FTSE 100 Index. The company initially started as the Computer-Aided Design Centre (or CADCentre). AVEVA drives digital transformation and modification for industrial organizations handling complex operational processes. AVEVA links the power of information and artificial intelligence (AI) with human insight through Performance Intelligence, in order to enable rapid and more accurate decision making, assisting industries to boost operational delivery and sustainability. The company was originally a government-funded research institute established by the UK Ministry of Technology, for developing computer-aided design techniques and promoting their take-up by British industry. A new stadium bearing the company's name was inaugurated in 2019 in Houston, Texas, which became home of the professional rugby team namely, the Houston SaberCats. AVEVA announced a global partnership with Alizent, a global leader in solutions that enable and accelerate the digital transformation of asset-intensive industries, in March, 2022.

The Unique Selling Proposition or USP of AVEVA lies in it being a global leader in industrial software operating digital transformation and sustainability. The vision statement of AVEVA reads "We aspire to a world where economic growth supports environmental sustainability, with better living standards for the communities where we and our customers operate."

Revenue :

£ 1185.3 million – FY ending 31st December 2022

£ 820.4 million – FY ending 31st December 2021
