Company Name : Amphenol Corporation

Company Sector : Technology Hardware & Equipment

Operating Geography : United States, North America, Global

About the Company :

Amphenol Corporation, with its headquarters in Connecticut, the United States, is a major manufacturer of electronic and fibre optic connectors, cable, and interconnect systems, including coaxial cables. Entrepreneur Arthur J. Schmitt founded Amphenol in Chicago in 1932. The company's products are used in the markets for industrial, automotive, broadband communication, information technology, mobile networks, and aerospace for both commercial and military use. The business sells its goods to original equipment manufacturers through a network of dealers, electronics distributors, and independent distributors. It sells goods under the brand's Kai Jack, Amphenol, Tuchel, Times Fiber, Socapex, Sine, Spectra-Strip, Pyle-National, and Matrix. Amphenol Industrial Operations in June 2022 announced the collaboration with Eaxtron USA, a battery connector manufacturer.

Amphenol's USP is that it is one of the largest global providers of high-tech connection, sensor, and antenna solutions. The mission statement of the company reads, "At Amphenol, we derive purpose and satisfaction from knowing that our life-changing innovations and products help to enable technologies that improve the lives of people around the world, support the well-being of our employees and communities and sustain the health of our planet".
