**Company Name :** Allscripts Healthcare Solutions

**Company Sector :** Healthcare

**Operating Geography :** United States, North America, Global

**About the Company :**

Headquartered in Chicago, Illinois, United States, Allscripts Healthcare was founded in 1981 by Glen Tullman. Allscripts Healthcare Solutions is an American company that provides hospitals, physician practices and other healthcare providers with electronic health record and practice management technology. It also provides products for patient engagement as well as analytics and financial technology. Allscripts Healthcare has more than 180,000 physician users along with products in 2,700 hospitals and 13,000 extended care organizations. Till date Allscripts has merged with two healthcare systems Misys and Eclipsys to create the industry's largest network of clients and the company has also acquired dB Motion Ltd, Practice Fusion and ZappRX. As of early 2022, Allscripts Healthcare's number of employees are 8,000. The awards and accolades received by Allscripts Healthcare are as follows: It received the Black Book Ambulatory EHR Award, Black Book Practice Management Solution Award, Company of the Year Award by Frost and Sullivan, Best Practices Award and Health Partner of the Year Award by Microsoft.

Allscripts mission statement is "To be a clear leader in software, services, information and connectivity solutions that empower physicians and other healthcare providers to deliver best-in-class patient safety, clinical outcomes and financial results". The Unique Selling proposition or USP of Allscripts Healthcare lies in providing innovative solutions to connect people, places and data across an open, connected community of health. Connectivity empowers physicians and healthcare providers for better decision making and providing proper care for healthier populations. It designs industry- leading Electronic Health Records to meet the needs of today's healthcare environment.
