Company Name : ENEOS Holdings Inc.

Company Sector : Oil and Gas, Energy

Operating Geography : Japan, Asia, Global

About the Company :

ENEOS Holdings Inc. is a company based in Japan, founded on April 1, 2010 and headquartered in Tokyo, Japan. The company operates in three basic segments. The energy segment deals in the refining and sale of petroleum, the provision of lubricants, basic chemicals, functional chemicals, gas, coal, electricity, and other products, as well as the investment business. The Oil and Natural Gas Development segments are responsible for oil and natural gas exploration, development, and production. The metal segment deals with the manufacture and sale of nonferrous metal products and processed electrical products, and the development and mining of nonferrous metal resources, metal recycling, and industrial waste. The firm is also engaged in construction work, land transportation, real estate leasing, and other businesses. In April, 2022, ENEOS Corporation announced a collaboration to jointly conduct a feasibility study to assess the production of sustainable aviation fuel in the ENEOS Nishi refinery in Yokohama City, Japan.

ENEOS'S USP lies in developing high- performance motor oils, and being the largest oil company in Japan. ENEOS's aspires to be Asia's leading integrated energy company, expanding throughout the globe. ENEOS's mission statement reads "harnessing the earth's power for the common good and for the day-to-day life of each individual, we will contribute to the development of a sustainable economy and society through innovation in the sectors of energy, resources and materials."

Revenue :

Yen 7,658 billion - FY ending 31st March 2021 (y-o-y growth -23%)

Yen 10,011 billion - FY ending 31st March 2020
