Company Name : Ferrovial S.A.

Company Sector : Construction, Transport Infrastructure, Urban Services

Operating Geography : Spain, Europe, Global

About the Company :

Ferrovial, S.A. is a Spanish multinational corporation that specialises in transportation infrastructure and urban services design, construction, finance, operation (DBFO), and maintenance. Madrid is the company's headquarters. Rafael del Pino y Moreno created the company in 1952 as a railroad construction company. Ferrovial has four divisions that operate in five countries. The company's Highway business manages and finances toll highways including the 407 ETR, North Tarrant Express, LBJ Express, Euroscut Azores, and Ausol I. Heathrow, Glasgow, Aberdeen, and Southampton are among airports that were created and built by the airport industry. Its Construction division plans and builds public and private projects like roads, highways, airports, and buildings. The Services division of the corporation is in charge of infrastructure, facilities, and buildings, as well as garbage collection and treatment and other public services. In July 2022, Ferrovial, through its Airports division, has reached financial close on the acquisition of a 60% stake in the company that manages the Dalaman International Airport concession in Turkey.

Ferrovial's USP is that it is a leader in the development of transportation infrastructure, mobility solutions, engineering, civil works and building construction. The mission statement of Ferrovial reads, "Ferrovial, as a leading developer and operator in the infrastructure and services sector, will continue to shape the future of society with a continuous focus on talent, integrity, safety, excellence and innovation".

Revenue :

6,778 million - FY ending 31st December 2021 (y-o-y growth 3.8%)

6,532 million - FY ending 31st December 2020
