Company Name : Adient plc

Company Sector : Auto Ancillary

Operating Geography : United States North America, Global

About the Company :

Adient plc was spun off from Johnson Controls in 2016 and has its headquarters in Dublin, Ireland. With over 75,000 employees and operations in over 200 locations worldwide and as of early 2023, Adient serves nearly every major automaker in the world. Adient offers a full range of seating products and solutions, including complete seat systems, recliners, mechanisms, trim covers, and foam. The company leverages its expertise in materials science, engineering, and design to create innovative and comfortable seating solutions that meet the evolving needs of the automotive industry. In recent years, Adient has made significant investments in research and development, as well as in new technologies such as electrified and autonomous vehicles, to stay ahead of the curve in the rapidly changing automotive industry. The company has also formed strategic partnerships and collaborations with leading automakers and suppliers to drive innovation and growth.

The USP of Adient lies in it being a global leader in the design and manufacture of automotive seating. Adient is committed to sustainability and operates under a comprehensive sustainability strategy that focuses on reducing its carbon footprint, improving resource efficiency, and promoting sustainable materials and processes. The company also places a strong emphasis on quality and has implemented rigorous quality control processes to ensure the reliability and durability of its products.
