**Company Name :** Endava

**Company Sector :** Software Solutions

**Operating Geography :** United Kingdom, Europe, Global

**About the Company :**

With its headquarters in London, United Kingdom, Endava plc is a British publicly traded software development firm. It offers consultancy for digital transformation, services for agile software development, and numerous automation solutions. The Endava Group was created by the official merger of Concise, founded in London in 2000, and Compudava, founded in Chişinău, Moldova. The Company engages with its clients, integrating with their teams, fostering creativity, and providing solutions while utilizing distributed enterprise agile at scale. The business provides services to clients in the payment, financial services, retail, consumer products, logistics, healthcare, technology, media, and telecom (TMT) sectors. These services are provided through four key areas: define, design, build, and run and evolve. The business also offers automation, agile transformation, and digital evolution solutions. The Company engages with its clients, integrating with their teams, fostering creativity, and providing solutions while utilizing distributed enterprise agile at scale. A combination of product and technology strategies, intelligent experiences, and engineering is provided by the company's agile, multidisciplinary teams through the use of technologies. As of early 2023, Endava employed over 10,000 people.

Endava's USP lies in its being a global provider of digital transformation and agile development. The mission statement of Endava Plc. reads, "We exist to create an environment and a culture that breeds success by caring for our customers as individuals and enabling our people to be the best that they can be".

**Revenue :**

£ 654.8 million - FY ending 30th June 2022 (y-o-y growth 46.7%)

£ 446.3 million - FY ending 30th June 2021
