Company Name : Berkeley Group Holdings plc

Company Sector : Construction

Operating Geography : United Kingdom, Europe, Global

About the Company :

Berkeley Group Holdings plc is a British property developer founded in 1976. The company specializes in residential and mixed-use developments in London, Birmingham, and the South of England. Berkeley Group's portfolio includes luxury apartments, townhouses, and penthouses, as well as affordable housing and student accommodation. The company's developments often incorporate communal spaces, such as gardens, parks, and community centers, to create sustainable and inclusive communities. The company is known for its focus on design and quality, and has won numerous awards for its developments. It was crowned Housebuilder of the Year at the 2022 WhatHouse? Awards. Berkeley Group is listed on the London Stock Exchange and is a constituent of the FTSE 100 index. The company has a strong financial position, with a market capitalization of over £6 billion as of March 2023.

The USP of Berkeley Group is that it is ranked among Britain's Most Admired Companies. Berkeley Group's vision is 'to be a world-class business, trusted to transform the most challenging sites into exceptional places and to maximise our positive impact on society, the economy and the natural world.'
