Company Name : Coterra Energy

Company Sector : Energy

Operating Geography : USA, North America, Global

About the Company :

Coterra Energy is a private, independent oil and gas company based in Austin, Texas, USA. The company focuses on the exploration and production of oil and gas assets in the Permian Basin, one of the largest and most prolific oil and gas producing regions in the world. The company was founded as Cabot Oil & Gas Corporation and has undergone significant changes since it went public in 1990. In 2021, the company acquired Cimarex Energy and was subsequently renamed Coterra Energy. Coterra Energy has a diverse portfolio of high-quality assets in the Permian Basin, including both operated and non-operated positions. The company is focused on optimizing production and reserves through advanced drilling and completion technologies, as well as strategic acquisitions and divestitures. The company's operations are focused on responsible and sustainable development practices, and it has implemented a comprehensive environmental, social, and governance (ESG) program that prioritizes safety, operational excellence, and environmental stewardship. As of early 2023, Coterra Energy employed around 1000 people.

The USP of Coterra Energy lies in it being a leading independent oil and gas exploration and production company.

Revenue :

\$4,065 million - FY ending 31st December 2022 (y-o-y growth 251.26%)

\$1,158 million - FY ending 31st December 2021
