Company Name : Ampol Limited

Company Sector : Energy, Oil and Gas

Operating Geography : Australia, New Zealand, Global

About the Company :

Ampol Ltd., formerly known as Caltex Australia, is a publicly traded company in Australia that operates in the energy and fuel sector. The company was founded in 1936 and is headquartered in Sydney, Australia. Ampol is primarily engaged in the production, distribution, and marketing of transportation fuels, lubricants, and other specialty products. The company operates in various segments, including refining and supply, fuels and infrastructure, and convenience retail. Ampol has a strong brand presence in the region, with a network of around 1,900 service stations. In recent years, Ampol has focused on developing more sustainable and environmentally friendly solutions. The company has invested in research and development to create cleaner fuels and energy-efficient processes, as well as expanding its electric vehicle charging network. With a workforce of over 8,500 employees, Ampol serves millions of customers across Australia, New Zealand, and other Asia-Pacific countries, as of early 2023.

The USP of Ampol is that it is a leading player in the Australian energy and fuel sector, providing essential products and services to customers across various industries while also striving towards a more sustainable future. Ampol has a long-standing commitment to sustainability and has set ambitious targets to reduce its carbon emissions and transition to cleaner energy sources.
