Company Name : Lego A/S

Company Sector : Toys

Operating Geography : Europe, Denmark, Global

About the Company : Lego A/S (The Lego Group) is a Danish company, best known for the production of Lego-brand toys which consist of interlocking plastic bricks. Established in 1932, the company is headquartered in Billund, Denmark and has more than 19,000 employees as of 2017. The name Lego comes from “leg godt”, meaning “play well”. Lego sets are basically toys that can be constructed, with interlocking bricks of various sizes, shapes colors, according to the design and pattern provided with the set. The company surpassed Mattel to become the world’s largest toy company and market leader, by revenue in 2015. The company also has set up Lego branded six amusement parks globally, known as Legoland and has supporting movies, competitions and games. Lego’s corporate strategy has helped Lego group holds its position since last year as the second most highly regarded company in the world, amongst the "2018 - Most Reputable Companies", in terms of corporate reputation.

Lego’s mission statement states “Our ultimate purpose is to inspire and develop children to think creatively, reason systematically and release their potential to shape their own future - experiencing the endless human possibility.” Lego’s vision is to “Inspire and develop the builders of tomorrow. Our ultimate purpose is to inspire and develop children to think creatively, reason systematically and release their potential to shape their own future - experiencing the endless human possibility”. The USP or Unique selling proposition of Lego company is to sell construction toys, with intrinsic detailing of each brick. The toy out of Lego set can be dismantled and re-constructed infinite times, with thousands of permutation and combination options available, this helps their targeted audience (age group of 3-15 years children) develop the ability of being creative and thinking out of the box.

Revenue :

DKK 35.0 billion - FY ending December 31st, 2017 (y-o-y growth, – 8%)

DKK 37.9 billion - FY ending December 31st, 2016
