**Company Name :** Salesforce.com

**Company Sector :** Information Technology, Customer relationship management (CRM)

**Operating Geography :** United States, North America, Global

**About the Company :**

Salesforce.com, Inc. is an American company that provides cloud hosted Customer Relationship Management (CRM) platform. It was started in 1999 by former Oracle executive Marc Benioff, Parker Harris, Frank Dominguez and Dave Moellenhoff as an organization for Software as a Service (SaaS). It is headquartered in San Francisco, California. Its main sources of revenue include subscription fees from its CRM software as well as premier support. Salesforce generates its primitive revenue from subscription and support fees, mainly from the four core categories of businesses viz., Sales cloud, Service cloud, Sales Platform and Marketing and Commerce cloud. It ranked first in Fortune's 100 best companies to work for, which is a great feather in its cap. Salesforce has taken up initiatives for welfare of employees, by focusing on aspects like equal pay, equal opportunity, equal rights and equal advancement. Salesforce announced in May 2022 that it had signed a definitive agreement to buy Troops.ai, a leading provider of a revenue communications solution that helps teams improve sales velocity, forecasting, visibility, and collaboration.

Salesforce's core USP or Unique selling proposition lies in being a "global leader in offering cloud-based CRM or Customer Relationship Management software through the internet as a service. Salesforce's mission statement reads "Our core mission is to empower our customers to connect with their customers in entirely new ways through cloud, mobile, social, Internet of Things ("IoT") and artificial intelligence ("AI") technologies." Salesforce's vision statement reads "We're committed to a sustainable future for all."
