Company Name : Teva Pharmaceutical Industries

Company Sector : Pharmaceutical

Operating Geography : Israel, Asia, Global

About the Company : TEVA Pharmaceutical Industries is 117 years old, headquartered in Israel and the world's leading generic pharmaceutical company. It is focused on catering to the healthcare needs of patients around the globe in all forms of medications. It has vertically integrated its innovations, manufacturing, marketing, and sales. Its major revenue share comes from US (45%), followed by Europe (25%) and growth markets (30%) as of 2017. TEVA operates in a broad brand line of 5 basic categories such as central nervous system (CNS), respiratory, women's health, oncology and others. Due to relaxation of pharmaceutical regulations in US and Trump's focus on reducing generic drug prices, TEVA is under high financial distress due to price erosion and high operating costs. This global pharmaceutical company's goal is to provide a broad range of affordable and effective medicines to patients around the world.

Teva's mission statement read "Our mission is to be a global leader in generics, specialty medicines and biopharmaceuticals, improving the lives of patients."
