Company Name : Bristol-Myers Squibb (BMS)

Company Sector : Pharmaceuticals

Operating Geography : United States, North America, Global

About the Company :

Bristol-Myers Squibb (BMS) is an American pharmaceutical company, headquartered in New York City. Their products are sold worldwide (U.S. being the biggest market, contributing 63% to overall revenue) and manufactured in the U.S., Puerto Rico and in five foreign countries. BMS was formed by the 1989 merger of Squibb (founded in 1858 in Brooklyn) and Bristol-Myers (founded in 1887 in Clinton, New York). Their Products can be categorized in the following major therapeutic classes: oncology; cardiovascular; immune-science; and virology, including HIV infection. As of 2021, it employs 32,200 people globally. Bristol Myers Squibb has been named a U.S. EPA Energy Star Partner of the Year (ESPOY) for the eighth consecutive year, receiving the Sustained Excellence designation for the past four years. A definitive merger agreement between Bristol Myers Squibb and Turning Point Therapeutics, Inc. was announced in March 2022. Bristol Myers Squibb will buy Turning Point Therapeutics for \$76.00 per share. The deal is expected to be finalised in the third quarter of 2022. With the help of this deal, Bristol will be able to maximise the capabilities of its precision oncology platform and raise the bar for cancer patients' care.

The USP of Bristol lies in that it is one of the world's largest pharmaceutical companies. Bristol mission statement states 'To discover, develop and deliver innovative medicines that help patients prevail over serious diseases.' While vision is "To be the world's leading biopharma company that transforms patients' lives through science".
