Company Name : Panasonic

Company Sector : Consumer Electronics, Housing Equipments, Automotive Systems, B2B solutions.

Operating Geography : Asia, Japan, Global

About the Company : Panasonic is a Japanese multinational company founded in 1918 by Konosuke Matsushita and was originally known as Matsushita Electric Industrial Co which was later changed to Panasonic in 2008. Panasonic has its headquarters in Osaka, Japan. The company started with producing electric lamps from there they later expanded in to producing consumer electronics. By 1961 they expanded their operations to America by producing television sets and by the 1970's they ventured in the European market. Sanyo initially a competitor to Panasonic was acquired by the latter in 2009. Panasonic employs around 250,000 people in more than 75 countries covering the seven continents as of 2018.

Its mission statement states 'A business won't survive without profits. Still, profit is not the sole purpose of business. Improving people's lives through creating goods needed for society or through providing wholehearted services are vitally important. After all, business is ultimately for the betterment of our society. That is where the mission and value of every business exist. If business underscored by that mission is conducted forcefully, it will generate appropriate profits as a natural result of being supported by society.'
