Company Name : Brambles

Company Sector : Logistics, Supply Chain

Operating Geography : Australia, Global

About the Company :

Brambles was founded in 1875 and is headquartered in Australia. The company specializes in the pooling of unit-load equipment and the provision of associated services, with a focus on the outsourced management of returnable pallets, crates and containers. It serves the consumer goods, dry grocery, fresh food, retail and general manufacturing industries. In addition, the company has specialist businesses serving the automotive manufacturing, aerospace and oil and gas sectors. According to Corporate Knights' Global 100, Brambles is the world's third most sustainable corporation in 2023. Brambles employees more than 12,000 people as of early 2023.

The USP of Brambles is that it is world's most sustainable logistic company. The mission statement of Brambles reads, "Create alternative learning spaces where children from low economic background in rural communities can have access to quality education." Brambles' vision is "to see a world where all children have access to quality education irrespective of their geographic location or socioeconomic background."
