Company Name: Norton LifeLock

Company Sector: IT & Technology

Operating Geography: United States, North America, Global

About the Company: Norton LifeLock (previously known as Symantec Corporation) is an American software company having its headquarters in Tempe, Arizona, United States. The company provides cyber security software and services and is a leader in Consumer Cyber safety. Norton LifeLock is a Fortune 500 company and a member of the S&P 500 stock-market index. By end of 2015, the Company got split into independent publicly traded companies; software security and information management subsidiaries. Subsequently, Symantec sold its information-management subsidiary, named Veritas Technologies (which Symantec had acquired in 2004) to The Carlyle Group on 29th January, 2016. On 9th of August, 2019, Broadcom Inc. acquired Enterprise Security software subsidiary of Symantec for \$10.7 billion and later

However, the earlier name "Symantec" was a portmanteau of the words "syntax" and "semantics" with "technology". Norton LifeLock's USP or unique selling point lies in being a global leader in consumer Cyber Safety. It provides a wide range of products helping to secure the devices,

changed the name of the company to Norton LifeLock Inc. As of early 2020, NortonLifeLock

private data, online privacy, and domestic and corporate needs of approximately 50 million

individuals and over 350,000 organizations, partnering as a trusted ally in a complex digital

world.
