Company Name : VF Corporation

Company Sector : Fashion, Apparel and Footwear

Operating Geography : United States, North America, Global

About the Company : VF Corporation was set up in 1899 as the Reading Glove and Mitten Manufacturing Company by John Barbey and a group of investors. After a series of name changes, the company became VF Corporation in the 1960s. Headquartered in Denver, USA, the company is an apparel and footwear company with products being diversified according to the categories of Outdoor, Active and Work. The company employs more than 75,000 employees across the world as of early 2020. It connects consumers to the experiences, activities and lifestyles that they cherish.

In 2018, VF Corporation divided itself into two with its jeans and VF Outlet stores becoming part of the new company Kontoor Brands. After this spin off, VF Corporation is seen to continue only with its sports apparel and footwear businesses.

VF Corporation's purpose is to power the movements of active and sustainable lifestyles for the betterment of the planet and the people. The guiding principles are: integrity, courage, curiosity, empathy and perseverance.

Revenue :

The company earlier used to report financials as on December of the year. Recently it began to report as on March. Hence, they have reported financials as on December 2017, then after changing the reporting system they have reported 3 months financials of January, February and March 2018. After that they have reported financials between March 2018 and March 2019.

\$13.8 billion - FY March 2018 - March 2019 (y-o-y growth 12%)

\$3 billion - January 2018 – March 2018

\$11.8 billion - FY ending December 2017

\$11 billion - FY ending December 2016
