Company Name : Eaton Corporation

Company Sector : Power management solutions

Operating Geography : United States, North America, Global

About the Company :

Eaton Corporation is an Irish-domiciled multinational power management company founded in 1911 by Joseph Oriel Eaton II and Viggo Torbensen. Its headquarters are situated in Beachwood, Ohio, United States. Its energy-efficient products and services help customers effectively manage electrical, hydraulic and mechanical power more reliably, efficiently, safely and sustainably. As of 2020, the company operates in more than 175 countries with over 97,000 employees. The company's electrical products help utilities generate, transmit and distribute power. Eaton Corporation's solutions range from circuit breakers to switchgear to machine controls to LED lighting. The Company's energy-efficient products and services help customers effectively manage electrical, hydraulic and mechanical power more reliably, efficiently, safely and sustainably. Eaton offers a full portfolio of backup power and surge protection, providing maximum uptime and guarding against power surges or outages.

Eaton Corporation's mission and vision statement reads, "To improve the quality of life and the environment through the use of power management technologies and services." It was named one of Corporate Responsibility's Magazine's "100 Best Corporate Citizens" for the 12th consecutive year. Eaton's USP or unique selling proposition lies in being the World's Most Admired Companies with a diverse work force. It prides itself in being a highly ethical enterprise with a promise of Doing Business Right that mirrors their unwavering commitment to the highest ethical practices and standards of behavior. This is a powerful distinguishing characteristic and a key competitive advantage of the native Irish power firm.
