Company Name : Infineon Technologies

Company Sector : Information Technology, Semiconductor

Operating Geography : Germany, Europe, Global

About the Company :

Infineon Technologies AG is a world leader in semiconductor solutions. It is a German company founded in 1999 after the operations of its parent company Siemens AG were spun off. It has its headquarters in Neubiberg, Germany. Its semiconductor solutions make life easier, safer and greener by solving the technological, economic and social challenges that the world continues to face. Its technology helps in achieving more and consuming less and moreover is accessible to everyone. With smart functions like speech recognition, gesture control, 3D applications it makes items like smartphone apps, speakers more convenient and easier to use by consumers. Its major products include microcontrollers, communication ICs, power electronics, diodes, etc. As of early 2020, it employs around 41,400 employees worldwide. Its operations are well organized in four segments: Automotive, Industrial Power Control, Power & Sensor systems and Digital Security Solutions.

Infineon's mission statement reads "We make life easier, safer and greener". Its vision statement is "We are the link between the real and digital world". Its values are "We commit. We partner. We innovate. We perform."
