Company Name : Man Group

Company Sector : Automotive - Commercial Vehicles and Transportation Solutions

Operating Geography : Germany, Europe, Global

About the Company : MAN Group is based in Munich, Germany and one of the Europe's leading commercial vehicle manufacturer with the goal of offering its customers innovative transportation solutions, generating profitable international growth, and increasing its enterprise value in a sustainable way. The key success factors are technology leadership, consistent customer orientation and the continuous expansion of the after-sales business. The MAN Group comprises of two divisions – MAN Truck & Bus and MAN Latin America. MAN Truck & Bus is one of Europe's leading manufacturers of commercial vehicles and evolving into a provider of intelligent, sustainable transportation solutions. It has production locations in three European countries and in Russia, South Africa and Turkey. The product portfolio includes Vans, trucks, buses, diesel and gas engines as well services related to passenger transport and the transport of goods. On the other hand, MAN Latin America is one of the largest manufacturers of trucks and buses in Brazil and can look back on a history spanning more than 35 years. MAN, Latin America has a nationwide sales and service network in Brazil and neighboring countries. Also, they have a very extensive dealer network in these regions which comprises 349 dealers, including 144 exclusive sales and service partners in Brazil. To secure its current market position and future growth, MAN Truck & Bus renovated existing facilities and continued its ongoing efforts to strengthen and expand its global sales and service network. MAN Group has over 39,000 employees as of early 2020.
