Company Name : ByteDance

Company Sector : Internet Technology

Operating Geography : China, Asia, Global

About the Company : ByteDance Ltd. is a multinational internet technology company. It is headquartered in Beijing and legally domiciled in the Cayman Islands. In March 2012, ByteDance was founded by Zhang Yiming, and it is best known for its mobile apps with entertainment value. It competes for head to head with other Chinese tech giants like Alibaba, Baidu and Tencent. Its current apps include TikTok, Helo (an Indian social media app), Vigo Video (Formerly Hypstar), Douyin (the Chinese version of TikTok), BaBe (a piece of Indonesian news and content app) and Huoshan (a Chinese short-form video app). ByteDance has over 60,000 employees and 15 research and development centres around the globe. ByteDance garners a major share of its revenue from advertising and it is in a nascent stage of tapping the potential of its popular application TikTok. Through its efforts and vision of offering premier Global Creation and Interaction Platforms, ByteDance is committed to making the digital life of billions of people more beautiful, efficient, and interesting. On 27 February 2021, the owner of the company announced that it will hire 10,000 educational professionals, including tutors and course designers, in China over the next four months, and will also hire at least 3,000 graduates as part of its expansion plan across 11 cities.

ByteDance's Unique Selling Proposition or USP lies in it being one of the most valued startup company and the top-funded AI company in the world. The company's mission statement reads, "We inform, entertain, and inspire people across language, culture, and geography".
