Company Name : Dow Inc

Company Sector : Chemical Industry

Operating Geography : United States, North America, Global

About the Company : Dow Inc. (The Dow Chemical Company) is an American multinational chemical corporation headquartered in Midland, Michigan, United States. It is a subsidiary of Dow Inc. and is among the three largest chemical producers in the world. In 2017, the company merged into DowDuPont and in 2019, Dow Inc. was separated into a public company through a corporate spin-off. Dow manufactures plastics, chemicals and agricultural products. The company is a member of the American Chemistry Council and its tagline is “Seek Together”. In early 2021, the company employed around 35,700 people in 160 countries. Dow is known as the “chemical companies’ chemical company” as its sales are to other industries rather than directly to end-use customers.

Dow’s Unique selling proposition lies in being the ‘Leader in the high value science driven segment’. Dow’s mission statement reads, “We want to become the most innovative, customer centric, inclusive and sustainable materials science company in the world. Our goal is to deliver value growth and best-in-class performance.”

Revenue :

\$ 38.5 billion - FY ending 31st December 2020

\$ 42.9 billion - FY ending 31st December 2019
