Company Name : Indian Oil Corporation (IOC)

Company Sector : Oil and Gas – Public Sector

Operating Geography : India, Asia, Global

About the Company : Indian Oil Corporation (IOC) Limited is an Indian public sector oil and gas company. It is headquartered in New Delhi. The company's business interests spans the entire hydrocarbon value-chain, comprising refining, pipeline transportation, marketing of petroleum products, exploration and production of crude oil, natural gas and petrochemicals. Indian Oil has seven major business divisions that include Refineries Division, Pipelines Division, Marketing Division, R&D Division, Petrochemicals Division, Exploration & Production (E&P) Division, Explosives and Cryogenics Division. The firm's equity shares are listed on the Bombay Stock Exchange and National Stock Exchange of India. In February 2021, PM Narendra Modi inaugurated Indian Oil's Bongaigaon Refinery in Assam and laid the foundation stone of key projects of the oil and gas sector in Tamil Nadu. In January 2021, Indian Oil received the 15th Edition of the BML Munjal Awards under the Sustained Excellence Category for the year 2020.

Indian Oil's Unique Selling Proposition or USP lies in it being the largest commercial oil company in India and being ranked 117th in the Fortune 500 list of the world's largest companies. Indian Oil's mission statement reads, " To help enrich the quality of life of the community and preserve ecological balance and heritage through a strong environment conscience ".
